A clean shave at Heppburn's. Harold Kennedy, of Washington avenue, is home from Haverstock seminary for the summer vacation.

A pathetic little scene transpired in a room of one of the Green Ridge public schools yesterday, showing the effect of the heat brought on by the strike, upon the little children. In this room, it has been the custom for years to celebrate upon the last day of school by having each child bring money enough to pay for a plate of ice cream, and the entire school enjoyed an ice cream festival. This event was a red letter day in the lives of the scholars, who were bitterly disappointed when the announcement was made that the ice cream would not be forthcoming this year because so many children would be unable to afford the necessary money, on account of the strike.

FOR TEN DOLLARS FOR A COMPLETE CURE

Doctor Churchman Byers Will Treat All Persons Applying Before July 1 for \$10 Until Cured, Medicines Included—This Does Not Mean \$10 a Month, but \$10 for a Complete Cure—No Further Charge Will Be Made—This Is Positively Your Last Opportunity to Be Cured at This Low Fee.

No Tell of Mystery Surrounds These Cures—No Juggling, No Sorcery.

They are printed as proof of the personal presence in Scranton of the Great Quaker Physician, they are acknowledged as such proof by the intelligent, who know that it is only by his superb skill that such cures are possible.

No Glamour of Engratiation, No False List of Untried Remedies These Cures.

These are real patients, who will talk to you if you will and send them. They live in your midst. Their evidence typifies the Truth in Testimony, as distinguished from the usual and exaggerated.

The Recovery of a Wonderful Skill Evinces These Cures.

A skill which the profession as well as the people recognize—a skill under which doubt is almost unknown, is the result of the patient's faith, and with which Truth proclaims its guarantee of kinship.

It was once possible for a patient to be cured by the use of a few weeks have shown the impossibility of it. In order to limit the number of patients he has looked to his office, and is now applying after the 20th of this month. But all patients who apply for treatment before July 1 will be cured in the following terms:

He will guarantee to treat all persons applying at his office before July 1 for the nominal sum of \$10 until cured. That is, \$10 covers the entire cost of a cure, medicine included, and no further fee will be asked.

He furthermore agrees, if the patient is not completely cured in a specified length of time, to return the money paid without any quibbling or evasion. It has always been the principle of his life never to keep a fee unless the patient was cured.

Doctor Byers wishes to make it emphatic that this offer expires on the 1st day of this month, and in order to get the benefit of it treatment must be commenced on or before that date. This offer will not be extended.

Diseases Due to Cell Disorganization.

The different tissues of the body are made up of minute cells, and when these cells become disorganized, disease is the result. By applying the proper nutriment to the cells, perfect health can be obtained. All diseases, no matter how chronic, can be cured by bringing the cells back to their normal condition. The treatment used by Doctor Byers is not allopathic or homoeopathic. It is a treatment based upon an exact science and cures with the certainty of a fixed law.

FREE X-RAY EXAMINATION.

Doctor Byers never accepts a case unless he knows to a certainty the cause of the trouble, and this can only be determined by a scientific X-Ray examination. His X-Ray outfit is the most elaborate and complete in the country. By his special fluoroscopic attachment he is able to examine all parts of the body and find out to an absolute certainty the cause of the trouble. X-Ray examination is free of charge, but the patient must come and find out what your trouble is and be well advised in reference to a cure. It is all free. He asks no compensation.

HER GREAT SUFFERING.

Mrs. M. Queenie, Avoca, Pa.: "I had been troubled with rheumatism for my first 15 years; was confined to my bed for two months this winter, the pain being so severe that I could not move. I had such a queer feeling in my head and would take such dizzy spells I was afraid to go any place. My stomach was so bad I could not eat anything without great distress. Doctor Byers' treatment has relieved me of all my distressing symptoms and I want to recommend this good Quaker doctor, who is so kind and sympathetic with all his skill."

DISEASE OF BOWELS.

Mrs. Barbara Dickson, Parker street, Providence: "I had chronic diarrhoea for four years, which had become violent, leading down and dragging pains in my abdomen and loins. My bowels were often moved as much as seven or eight times a day. The suffering finally brought about severe protruding piles. These caused me much misery. When I went to doctor I was told I was weak from my suffering that I could hardly drag myself along. The first treatment he gave me drove all the pain out of my bowels and legs. My bowels now move regularly once a day, and I feel better than I have for years. I feel blessed the good Quaker doctor for what he has done for me."

AN OPEN LETTER FROM A GRATEFUL PATIENT

This Letter Was Sent Dr. Byers Without Solicitation And Expresses the Patient's Heartfelt Thanks For Relief From That Distressing Disease—Asthma.

Scranton, Pa., June 4, 1902.

DR. CHURCHMAN BYERS:— I would like to add my testimony to the many others who speak of your success in treating them. I have made such wonderful improvement since being treated by you that I feel it would be an injustice to you if I did not acknowledge it to the public. You are at liberty to use this letter. Possibly it will be the means of some sufferer making another effort to cast off that burden of life, that dreaded disease, Asthma, Catarrh or Bronchial trouble. I had tried many advertised remedies, but failed to receive benefit in every case and had fully made up my mind to be deceived any more, believing that all advertised remedies to cure chronic disease was a fake and was just robbing the afflicted; but when I saw your "ad.," giving 10 days' free trial, I thought as it is right handy I will take the 10 days' free trial at least. I am pleased to say that I noticed a decided improvement from the beginning. Your treatment has put new life in me. I begin to feel that the distress of the shortness of breath is a thing of the past. In December, 1899, I was taken with lagrippe and ever since I have been troubled with a shortness of breath and had given up all hopes of ever getting rid of this distress, but I thank the good Lord that I have found one doctor whose treatment is within reach of all and who does as he advertises to do. I can honestly say from personal experience that Dr. Churchman Byers is no fake.

Yours truly,
M. H. FINE, 888 Union Street, Petersburg.

CURING RHEUMATISM.

Mrs. Kate Miller, 328 Quaker avenue: "I had been troubled with darning, aching pains in my right leg, and my feet so bad at times I could not use my arm and could scarcely walk on account of being crippled up so. I had considerable heart trouble. I am so much better as the result of Doctor Byers' treatment I want to recommend him to my friends."

NERVOUS TROUBLE.

Mrs. Peter Thomas, 426 Larch street: "The first treatment I received from Doctor Byers relieved me so much of the pain from which I had been suffering that I already feel like a new woman. My nervous system was more like a machine down as the result of these severe agonizing pains. I was weak; very little noise startled me and I felt very fast becoming a nervous wreck. This good Quaker doctor has placed me on the road to health, and I feel certain his treatment will restore my health completely."
